

Value⁺ your imagination

ABOUT LOTTE CORPORATION

A global company that creates
a happy life for humanity

MISSION & CORE VALUE

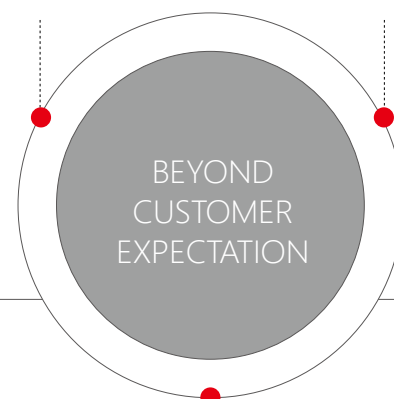

We enrich people's lives
by providing superior
products and services
that our customers love
and trust.

CHALLENGE

Story of Self

RESPECT

Story of Us

ORIGINALITY

Story of Future

VISION & SYMBOL

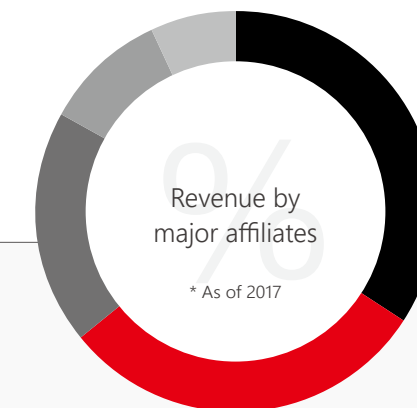

'The symbol illustrates its
commitment to provide
new values in every
moment of your life.'

The dot symbolizes the
starting point of life while
the curved line represents
life along with LOTTE.

CHEMICAL SYNERGY TO YOUR LIFE

26

A future of global leading chemical company

LOTTE Chemical business

Total 26 companies in
chemical business

South Korea
10 companies

Global
16 companies

INTEGRATED
SOLUTION

Expansion of global network

Expansion of production scale
and customer network

**Discovery of
future growth engine**

Nurturing strategic
chemical business

Sustainable growth

Responding flexibly to market
and balanced growth

**Creating synergy of
chemical affiliates**

Implementing an extensive
vertical integration of
chemical products

LOTTE Advanced Materials

LOTTE Chemical

LOTTE Fine Chemical

HIGH VALUE & POSSIBILITY IN MATERIALS

Emerging as a provider of high value materials

The Leader of
World-class Styrenic Product

High Performance and
Differentiated Engineering Plastics

Total Solution for
the Future of Automotive

High Value Construction
Materials for Upscale
Design

Eco-friendly Solution for
Sustainable Growth

Value⁺ your imagination

We will provide more value and possibilities than customer expect by taking the central role in the cutting-edge materials market.

LOTTE Advanced Materials provides specialized material solutions for the innovation of customer's products through continued research and investment in production facilities.

High-performance
synthetic resin materials

Value of product enhanced
by integrated solution

Ethical management

Management based on
laws and principles
Fair and transparent
corporate culture
Trust-based relations
with partners

Win-win management

Pursuit of mutual growth
Better communications
with stakeholder
Creative corporate culture

**SUSTAINABILITY
MANAGEMENT**

Sharing management

Social contribution activities
Service for the underprivileged
Education and support
for youth

Safety/Environment

Establishment of safety culture
Energy-saving management
Eco-friendly process, technology
and product

PRODUCT PORTFOLIO

starex®

Enjoy our excellence and expertise with world-class starex®

starex®, the styrenic product groups such as ABS, ABS Alloy, ASA, and EPS, represents the highest technologies created by the top-notch engineers and specialists, offering the exceptional experience to customers.

ABS	ABS Alloy	ASA	EPS	Specialty
<ul style="list-style-type: none">• General• Extrusion• Flame Retardant• Heat Resistant• Metal Plating/Painting	<ul style="list-style-type: none">• Transparent MABS• Scratch Resistant MABS• High Modulus ABS/GF• PCM (Eco)	<ul style="list-style-type: none">• Injection• Extrusion	<ul style="list-style-type: none">• General• Insulation• Eco-friendly Flame Retardant	<ul style="list-style-type: none">• High Weatherability• Luminous (Eco)• Medical• Antimicrobial

INFINO®

We create infinite possibilities with our versatile INFINO®

INFINO®, which covers PC, PC Alloy and high performance EP, creates infinite possibilities through future-oriented and differentiated products.

PC	PC Alloy	High Performance EP

Acrylic solid surface with upscale appearance and excellent processability like natural marble

Hygienic, easy to maintain and applicable to a variety of patterns and colors

Applicable to a wide range of interior items including walls, tops and furniture in residential and commercial space

Creative arrangements in diverse living & cultural spaces through unlimited design possibilities

staron®
Solid Surfaces

Radianz®
Quartz Surfaces

Eco-friendly and upscale interior space created with high-purity silica stone

Engineered stone composed largely of quartz, featuring high strength

Ultra hygienic building material offering more color options than natural stone

Top-notch interior material that can be applied to floors, walls and tops in residential and commercial space

OUR SOLUTION

Value of Life Enhanced by Chemical Solution

LOTTE ADVANCED MATERIALS offers a wide range of high-quality solutions generating new value and innovation in everyday life.

Electrical & Electronics

- Slim & Wide
- High Stiffness
- Excellent Appearance
- Light-weight
- Design Freedom
- Cost Reduction
- Flame Retardant

IT & Mobile

- Slim Design
- High Impact & Modulus
- Sophisticated Design
- Metal Adhesion
- Durability
- Good Processability
- Dimensional Stability

Home Appliances

- Design Freedom
- Scratch Resistance
- Transparency
- Chemical Resistance
- Non-painting Metallic Design
- Cost-effectiveness
- Antimicrobial

Automotive & Transportation

- High Performance
- Light-weight & Metal-replacement
- Safety & Comfort
- Integrated Design
- Process Efficiency
- Eco-friendly

Energy & Lighting

- Flame retardant
- Heat resistance
- Quality stability
- Good Productivity
- Durability
- Optical Reliability

Healthcare

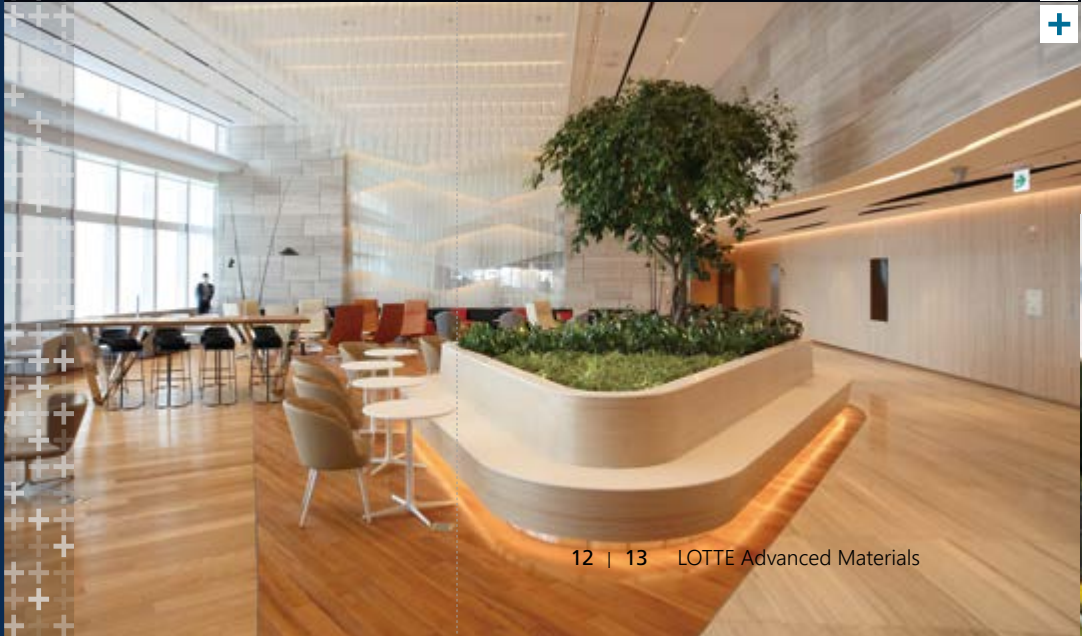

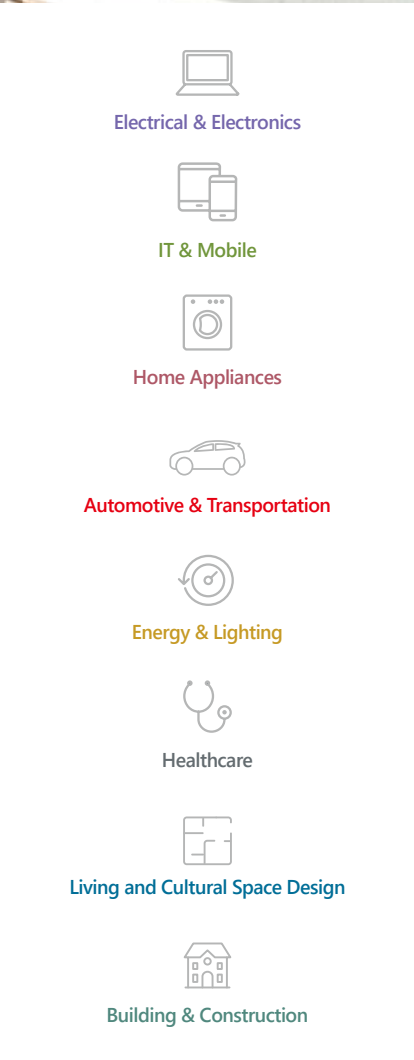

- Biocompatibility
- Reliable Quality
- Durability against Sterilization
- Chemical Resistance
- Ease of Processing
- High Clarity

Living and Cultural Space Design

- Good Processability & Durability
- Excellent hygienic property
- Refined & Unique Space
- Natural & Upscale Color & Pattern Design
- Elegant Curved-lines & Seamless Finishes
- Light Penetrability for Diverse Visual Effects

Building & Construction

- Weatherability
- Superior Appearance
- Reliability
- Various Color & Gloss
- Durability
